**Briarcliff Village Holiday Lighting Ceremony**

Sunday, Nov. 20, 5-8 p.m.

Light up the holiday season at picturesque Briarcliff Village, as our festive, locally-owned shops join in the annual Lighting Ceremony. This family event features a spectacular fireworks display over the Missouri River. Kids will also enjoy a visit from Ronald McDonald, who's slated to flip the switch for our hundreds of holiday lights.

Other family activities include face painting, treats and **FREE** photos with Santa. Briarcliff Village will also kick off a toy drive for Ronald McDonald House Charities, Kansas City. Adding to the ambiance, the 5-Star Jazz Band will provide a musical holiday backdrop.
